PEANUT/NUT-FREE ENVIRONMENT

Dear Parents,

We must inform you that we have several children who are allergic to peanuts and nut products. An allergic reaction may be prompted by contact, as well as ingestion. Therefore, to ensure the environment is a healthy and safe one for all students, we ask that you do not send in peanut butter or nut products. We ask that you do not feed your children nut products before school.

Oyster Babies tries to maintain a "Peanut/Nut-free environment." This includes all nuts, nut products. .

Thank you for your cooperation in this matter. Please sign and return the bottom portion of this notice to assure everyone has received this information.

I have read the notice and understand that I cannot bring in peanut butter and or nut products to Oyster Babies and if they eat nut products before school I will wash their hands and face.
